(b) Ministry of Industry, who is administratively concerned with the formulation, implementation and monitoring of the Self-Employment Scheme for Educated Unemployed Youth (SEEUY), has advised that under the scheme no reservation for Scheduled Tribes was stipulated till 1985-86. Reserve Bank of India has also reported that as there was no sub-target for Scheduled Caste/Scheduled Tribe beneficiaries under the Scheme, the present data reporting system of the bank does not generate information in the manner asked for. However, with effect from 1986-87, Government of India has decided that atlest 30% of the sanctions will be reserved for Scheduled Caste/Scheduled Tribe beneficiaries.

Loan Melas

1064. SHRI H. HANUMANTHAPPA: Will the PRIME MINISTER be pleased state:

(a) what are the State-wise number of Loan Melas held during the three years; and

AIDS Research by Indian Scientist in United States

1067. SHRIMATI RENUKA CHOWDHURY: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the news item which appeared in "The Hindustan Times" of 22nd January, 1987 wherein it has been stated that an Indian Scientist working in the United States has been honoured for his significant contribution to AIDS Research; if so, what are the details thereof;

(b) what is the number of Indian Scientists working abroad at present;

(c) whether the brain drain has not yet been minimised by Government; and

(d) what steps are being taken by Government to stop brain drain?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) Yes, Sir.

The details of the research work carried out by the Indian scientist are however, not available.

(b) It has not been possible to maintain a list of Indian Science and Technology Personnel going abroad. Hence, exact figures are not available.

(c) and (d) A number of measures have been taken to attract Indian Scientists and Technologists settled abroad to come back to this country. Some of these are:

—The scheme of flexible complementing/merit promotion is being introduced in all the scientific departments/organisations

—Programmes have been launched through which core group of scientists are created in the country with all the necessary modern facilities required for pursuing research in new and frontier areas of science.

—Special schemes are being implemented to provide assistance to scientists for attending international conferences besides enabling younger scientists to attend specialised training programmes outside India.

—There is a provision for temporary placement of scientists and
